

Charge Transparency Policy

PURPOSE

To outline the process to provide the facility charge master information to the public as requested.

POLICY

It will be the policy of the West Jefferson Medical Center to complete make charge information available to the public upon request.

PROCEDURE

West Jefferson Medical Center will provide charge information for all procedures and ancillary testing to the public upon receipt of request.

All requests for charge information should be routed through the facility's Financial Counselor at 504-349-2487.
