## **HealthGrades Names West Jefferson Medical Center Among Top 10% in Nation for Neurosurgery in 2012**

*- West Jefferson receives HealthGrades Neurosurgery Excellence Award in 2012-*

**Marrero, LA (Oct. 18, 2011)** – A report released today by HealthGrades, the nation’s most trusted, independent source of physician information and hospital quality ratings, ranked West Jefferson Medical Center among the top 5 hospitals in Louisiana for Spine Surgery, Neurosciences and Neurosurgery in 2012. Choosing a hospital can be a life or death decision. HealthGrades report found that patients treated at 5-star rated hospitals experience a 73% lower risk of mortality and a 63% lower risk of complications compared to 1-star rated hospitals. A quality comparison of doctors and hospitals in New Orleans can be found online at HealthGrades.com; [www.topcities.healthgrades.com/ratings/neworleans-la](http://www.topcities.healthgrades.com/ratings/neworleans-la).

"Our community hospital is very honored to once again be named by HealthGrades in its annual quality awards," said West Jefferson Medical Center’s CEO, Nancy R. Cassagne. "We are proud of the prestigious distinctions for our neurosurgery and orthopedic programs. These are a credit to West Jefferson Medical Center's commitment to quality care. In addition, the distinctive rankings are a snapshot of the fine work being done by our doctors and staff and to the quality indicators available to the public from HealthGrades."

"Patients today have a wide array of options when it comes to choosing a healthcare provider," said Kerry Hicks, HealthGrades chief executive officer. "At HealthGrades, we are proud to have led the way for empowering patient choice based on objective clinical outcomes and access to actionable quality measures. We commend West Jefferson Medical Center for its superior quality and support of consumerism and transparency in the New Orleans area." Highlights from West Jeff’s 2012 Fall Ratings include:

- Ranked #10 in LA for Overall Orthopedic Services in 2012
- Ranked #3 in LA for Spine Surgery in 2012
