

## *Prevention and Screening*

At West Jefferson Medical Center, we provide prevention programs that are targeted to meet the needs of the community and are designed to reduce the incidence of a specific cancer type. The prevention programs and screenings are consistent with national guidelines for cancer prevention.

### **Some of the Programs Offered:**

- Breast Cancer Prevention and Screening
- Cervical Cancer Prevention and Screening
- Colon Cancer Prevention
- Education/Cancer Awareness
- Lung Cancer Prevention and Screening
- Prostate Cancer Prevention
- Skin Cancer Prevention and Screening
- Smoking Cessation Program
- Weight Loss Program
