## CARDIOLOGIST BRIAN COSPOLICH, MD TO BE INTERVIEWED DURING “THE PULSE OF NEW ORLEANS” RADIO SHOW ON WGSO 990-AM

(MARRERO, LA – DECEMBER 29, 2016) — Dr. Brian Cospolich, a Cardiologist with the West Jefferson Heart Clinic of Louisiana will be interviewed during *The Pulse of New Orleans* radio show on Thursday, December 29 at 5:30pm by Leslie Cardé. Leslie is a long-time journalist, who has worked for major television networks, hosted radio shows in Los Angeles, New York and New Orleans and is a former anchor and medical reporter at WDSU.

Tune in to WGSO 990-AM to hear their discussion about heart disease and the recent deaths of musician, George Michael and actress and author, Carrie Fisher. Dr. Cospolich will be taking questions during the live radio broadcast. To speak to Dr. Cospolich during the show, please call (504) 556-9696.

Brian Cospolich, MD, FACC, is a cardiologist practicing at the West Jefferson Heart Clinic of Louisiana, a proud member of LCMC Health. Dr. Cospolich is a New Orleans native and earned his medical degree from Louisiana State University in 1994. He completed his internal medicine residency at the University of Alabama Birmingham in 1997. In 2000, he completed his Fellowship in Cardiology from Louisiana State University School of Medicine. Dr. Cospolich is board-certified in Internal Medicine and in Cardiovascular Diseases. He is also a Fellow of the American College of Cardiology and is Board Certified in Cardiology. He is Chairman of the Cardiology Section at West Jefferson Medical Center (WJMC) and also serves as a member of the WJMC Medical Executive Committee and the WJMC Medical Staff Quality Committee.

### *About West Jefferson Heart Clinic of Louisiana*

West Jefferson Heart Clinic of Louisiana is dedicated to serving the cardiology needs of the greater New Orleans area and surrounding communities. Our doctors provide the highest quality of cardiovascular care in an integrated and cooperative medical practice. Our practice incorporates invasive, noninvasive, and interventional cardiology, as well as treatment for peripheral vascular diseases. Utilizing the latest technology available for the diagnosis and treatment of cardiovascular and peripheral diseases, our board-certified physicians develop a treatment plan specifically designed to meet each individual patient's needs.
