Lung Cancer Alliance  
SCREENING  
CENTER OF  
EXCELLENCE

Offering Responsible  
Screening & Care

West Jefferson Medical Center is recognized as a Screening Center of Excellence by the Lung Cancer Alliance, a nonprofit organization dedicated to saving lives and advancing research by empowering those living with and at risk for lung cancer. We are the region's ONLY Lung Cancer Screening Center of Excellence and #1 in Lung Cancer Care in New Orleans. Learn about the criteria a center must meet in order to be recommended as a Screening Center of Excellence on the Lung Cancer Alliance website at <http://www.lungcanceralliance.org>.
